ASSEMBLIES OF GOD WORLD MISSIONS

Spring 2008

## Three Years on the Field

It is with both sadness and joy that we come to the end of our first term here in Oaxaca. It is always bitter-sweet when you are preparing to leave the place you call home, but the thought of reunions with family, friends and supporters is something that fills us with great joy.

During our return we will once again seek prayer and financial support. We desperately need all our supporters to continue their faithful monthly giving during the time we are back home. This will enable us to raise our budget quickly and return to Oaxaca. One of the key factors in our return is the amount of monthly support we are able to raise. At this time we are asking all our supporters to con-

sider a small increase in their monthly giving. If you would like to increase your monthly giving just fill out and send the attached pledge form. We will also need to visit at least 12 churches a month. If there is a possibility to visit your church, please contact us.

Perhaps the biggest request we make of all of our supporters is prayer. Please pray for the work here in Oaxaca and for our speedy return.

I am happy to report that we have five new students at our Bible Institute. During the month of April we conducted an

Jesus film in the Mixteco language. Ten people gave their lives to the Lord. It was truly an exciting event. The work of the Institute will go on in our absence under the care of the regional presbyter. Please keep these students in your prayers as they continue preparing for ministry. We look forward to returning soon to continue our work with them.
